

# ECLIPSE errors

Version: 1.01 | Last Modified on 21/04/2026 1:39 pm AEST

## Eligibility check response codes

These errors can occur for ECLIPSE claims, and the actions required provide solutions that may allow you to resubmit a claim.

Response code	Message	Reason	Action required
1005	Facility ID not known to fund	The facility ID supplied is not registered at the fund/not current	Check the facility ID; if correct contact the fund, if incorrect re-submits with corrected data
1100	Not eligible for selected service	The patient is not eligible for treatment for the presenting illness or item according to the information supplied in the eligibility check	Tell the patient that they are not eligible for the service
1101	Eligible for service selected	Patient is eligible for the presenting illness or item according to information supplied in the eligibility check	
1102	Eligible subject to conditions	<p>Patient may be eligible for the presenting illness or item according to the information supplied in the eligibility check. However, there may be conditions you will need to note before you proceed such as:</p> <ul style="list-style-type: none"> <li>• financial status</li> <li>• reduced benefit is payable</li> <li>• possible pre-existing condition</li> </ul>	Refer to OEC guide for assistance on areas to check

Response code	Message	Reason	Action required
1103	Resubmit for new assessment if presenting illness is shown	A general presenting illness or item was requested and a general answer displaying all benefit limitation or restriction that apply to the patients cover was returned in the response	Check the eligibility response carefully and re-submit if the actual presenting illness or item is displayed to obtain an accurate assessment
1104	Eligible for selected service at previous cover	The patient is eligible for the presenting illness or item on the incoming eligibility request but not at their current cover. This message generally results where the patient is still serving the required waiting period applicable on the upgrade in cover	The patient is eligible for the service on their previous level of cover
1105	Not eligible for selected service – wait period applied	The patient is not eligible for the presenting illness or item as they have not completed serving their required waiting periods	
1106	Eligible for selected service at previous cover – wait period applied	The patient is eligible for the presenting illness or item as input on the incoming eligibility request but not at their current cover. This message generally results where the patient is still serving the required waiting period applicable on the upgrade in cover	
1107	Not eligible for selected service – pre-existing ailment	The patient is not eligible for the presenting illness or item if it is deemed to be a pre-existing condition	

Response code	Message	Reason	Action required
1108	Eligible at previous cover subject to conditions	The patient is eligible for the presenting illness or item as input on the incoming eligibility request but not at their current cover. This message generally results where the patient is still serving the required waiting period applicable on the upgrade in cover	
1109	Eligible subject to approval of accident certificate	Fund won't guarantee payment of the service until an accident certificate is supplied and approved	Ask member to contact the fund
1110	Eligible subject to conditions and approval of accident certificate	Fund won't guarantee payment of the service until an accident certificate is supplied and approved and there is another condition that will affect assessment. This could be: <ul style="list-style-type: none"> <li>• financial status</li> <li>• pre-existing ailment or waiting period</li> <li>• reduced benefit is payable</li> </ul>	Ask member to contact the fund regarding the accident certificate and to check the other conditions of the eligibility response
1111	Unknown presenting item	The presenting illness or MBS item could be: <ul style="list-style-type: none"> <li>• incorrectly input</li> <li>• ceased</li> <li>• not on item database at the fund</li> </ul>	Check the item number. If correct contact the fund, if incorrect amend and re-submit
1999	Processing error		Contact fund

Response code	Message	Reason	Action required
