Change the Zedmed theme

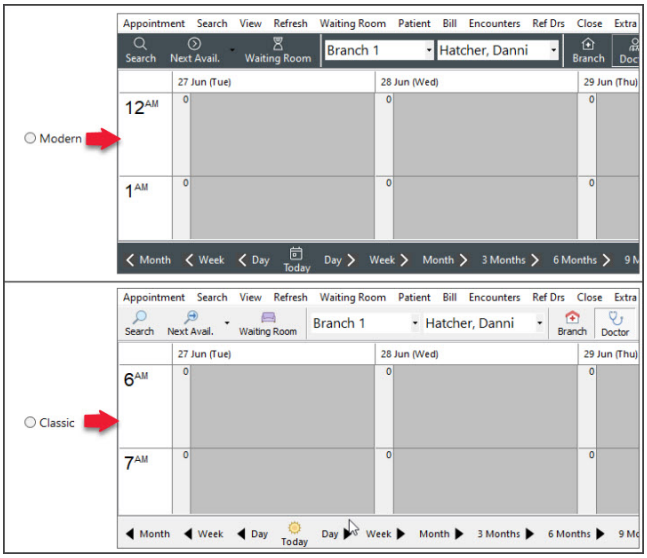

Version: 2.00 | Last Modified on 21/11/2025 11:22 am AEDT

Zedmed v36 introduced the option to use a Modern theme for the User Interface. No menus or options change, just the option to use the Modern or an updated Classic theme.

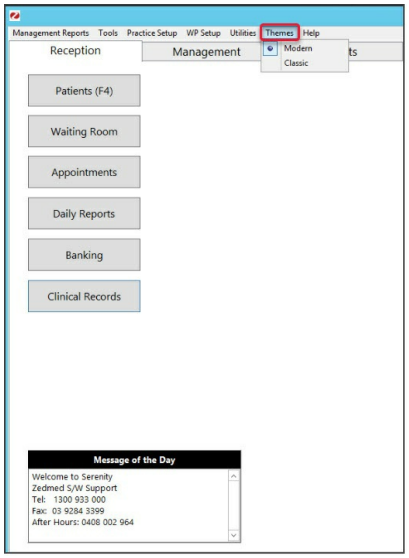

- The first time you open Office and Clinical after the upgrade, you will be prompted to choose a theme.
- You can have matching or different themes in Office and Clinical.
- You can swap themes at any time if you change your mind.

Change theme for Zedmed Office

First time opening Office - select **Modern** or **Classic.**

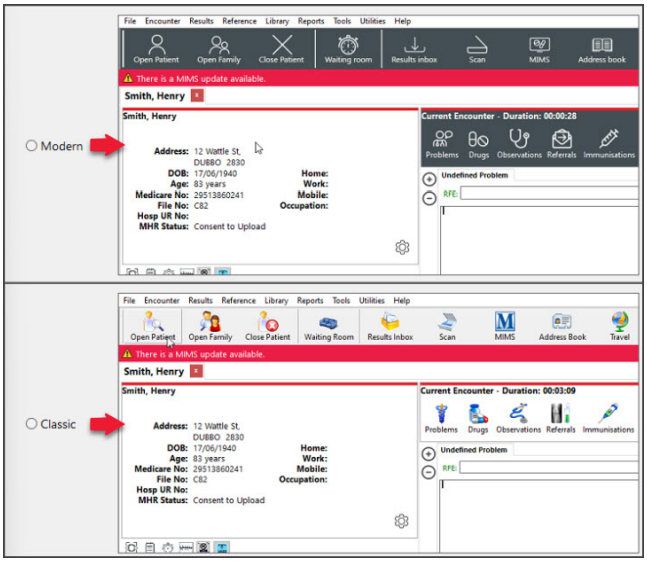

To change - **Themes** > **Modern** or **Classic**.

Change theme for Zedmed Clinical

First time opening Clinical - select **Modern** or **Classic.**

To change - **Tools** > **My Options** > **Modern** or **Classic.**
