# Change the Zedmed theme

Last Modified on 30/07/2024 9:06 am AEST

Zedmed v36 introduced the option to use a Modern theme for the User Interface. No menus or options change, just the option to use the Modern or an updated Classic theme.
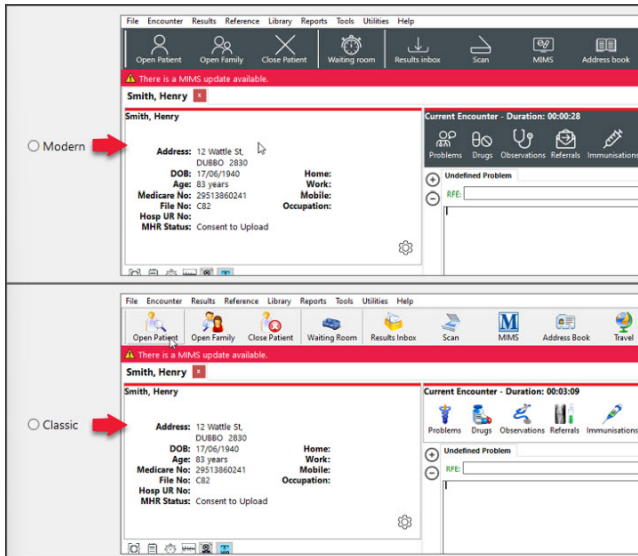

- You can have matching or different themes in Office and Clinical.
- You can swap themes at any time if you change your mind.

**First time opening Office after v36 upgrade** - select **Modern** or **Classic.**

To change - **Themes** > **Modern** or **Classic**.

**First time opening Clinical after v36 upgrade** - select
**Modern** or **Classic.**

To change - **Tools** > **My Options** > **Modern** or **Classic.**
