

Clinical Integrations

Last Modified on 20/10/2023 3:35 pm AEDT

Zedmed supports a large range of integrations for practitioners. This page provides a summary of those integrations with links to their location in the Knowledge Base.

Clinical integrations:

- [ICPC - International Classification Primary Care](#) - How to use.
 - [MIMS Monthly Index of Medical Specialities](#) - How to update.
 - [AIR Australian Immunisation Register](#) - How to transmit.
 - [My Health Record](#) - How to use.
 - [RTWSA Return to Work SA](#) - How to create a Work Capacity Certificate.
-
