

Classic and Modern themes

Last Modified on 24/10/2023 11:48 am AEDT

Zedmed v36.1.0 introduced the option to enable a modern UI theme for both Office and Clinical. This change is a UI-only update and does not change any menus or layouts.

- **The first time** you open Office and Clinical after the upgrade, you will be prompted to choose a theme.
- You can have matching or different themes in Office and Clinical.
- You can swap themes at any time if you change your mind.

Office theme

The first time opening Office - select Modern or Classic.

To change - Themes > Modern or Classic.

Clinical theme

The first time opening Clinical - select Modern or Classic.

To change - Tools > My Options > Modern or Classic.
